2.2 YY further briefed the latest academic development and activities as follows.

- a) There had been some new challenges of having a few ethnic minority students and also students with Special Education Need (SEN) and Attention Deficit Hyperactivity Disorder (ADHD) who needed special attention. One social worker and two trained associates were specifically assigned to assist these students. However, the turn-over rate of the associates was high. Teachers were given extra training to provide necessary assistance to these students.
- b) YY circulated the evaluation of the Poon Choy dinner held on 15 February which showed very positive feedbacks. The school has sponsored 3 tables for form six students this year. YY suggested avoiding the Standard Chartered Marathon while deciding the date of Poon Choy Dinner in the future, since some retired teachers and old boys were unable to join this function instead of joining the marathon.
- c) A Career Talk was held on 11<sup>th</sup> October 2013 but the mock interview section for form six students was cancelled because of insufficient interviewers. Members showed regret of the cancellation and wished to continue this activity with better arrangement in the future.
- d) YY suggested the Career Talk, Mock Interview and Poon Choy Dinner shall become the regular activities of the OBA. Since universities would conduct interviews in March, it was recommended to organize the mock interview before March.
