

福傳綜合表演感想 3A 曾智樂

在今個學年，我與部分同學參與了福傳綜合表演，於不同的小學宣揚主的信息，並且令小學生們對彩天有更深層的認識，而當中我是負責表演英語話劇。

透過這個活動，我除了學會英語的表達技巧外，更令我從話劇的故事中，領悟到「撒種的比喻」。另一方面，每次的福傳表演得以順利舉行，不但有賴老師們的支持和幫助，最重要是所有參與的同學的合作性。

這個活動也提升我們的解難能力、協作能力等等，而且也能夠從中認識其他同學。雖然有時的外出表演令我們不能正常地進行部分課堂，不過我覺得這個活動所學到的東西，都比書本裏的多，並因為曾經親身經歷過，而有更深的體驗。所以，這個活動可謂一舉多得，如果明年再有同樣的活動，我也會繼續參與其中。

Last Saturday, our school went to Our Lady of China Catholic Primary School for a variety show. The show was a big success.

Throughout this year, our school has been to 5 primary schools to perform the Evangelization Variety Show. We know that students and teachers from different primary schools enjoyed the show very much because of their smiling face. As a performer, I also enjoyed the whole process very much.

Through this variety show, I believe that it is a good way for not only primary but also secondary school students to know more about love from the God. The whole performance is very meaningful for not only the audience, but also the performers.
